

Funky Bugs offers loads of fun filled entertainment for your child 's birthday, in a sheltered and picturesque Outdoor environment with many an activity! Musical, hand/eye co-ordination, balance, confidence, brain activities, sports and of course the free play stuff; your children will not get bored!

We host parties for ages 3 to 8 and for up to 16 children, in a completely private large section for just you and your party! With plenty to do and play, we expect your child to be going home ' a ll partied out ' !

Caregivers of the birthday boy/girl are required to supervise at all times, but we do have games to entertain your children while you relax in the sun and enjoy the day as well.

We are also proud to be able to offer Disco parties in our Function room. Fully equipped and set up for your party!
